

POST-SEDATION INSTRUCTIONS

Following sedation, 24 hours may be required for the full effects of the drugs to wear off. During this period, it is essential that you follow these instructions.

DISCHARGE FROM OFFICE:

- The patient must be discharged into the care of a responsible adult who can accompany him/her home.
- Arrangements should be made to have a responsible adult remain with the patient for the balance of the day and during the night.

TRANSPORTATION FROM OFFICE:

- Private automobile is preferred. Public transportation or taxi is NOT allowed.

FOOD AND BEVERAGES:

- Your dentist will advise you what foods you can eat and what to avoid.
- Do not drink alcohol in any form for 24 hours.

MEDICATIONS:

- Resume normal medication as directed by physician after appointment.

ACTIVITY RESTRICTIONS:

- Do not operate motor vehicles, boats, power tools or machinery for 24 hours, or longer if drowsiness or if dizziness persists.
- Do not operate an aircraft for at least 48 hours following sedation
- Do not sign or enter into any legal contract for at least 24 hours.

PROBLEMS:

- If you experience any acute pain, heavy bleeding from the surgical site, respiratory problems, or any other postoperative problem, please notify the dental office.

**IF YOU HAVE ANY QUESTIONS OR CONCERNS WHATSOEVER, CALL
